

Biography

Steeped in the tradition of the dance bands that were the popular music of the day, Old Time Dance Band bridges the gap between the New Orleans-style jazz groups and the Big Bands that dominated the Swing Era. Heavily influenced by both but with a unique sound, Old Time Dance Band combines Dixieland and Early Swing into a unique sound that heralds the greatness of the dance hall bands that were so popular during the era of the speakeasy.

Consisting of musicians well-known in the region for their skills performing in a wide variety of styles and genres, Old Time Dance Band gives you music that is as enjoyable to listen to as it is to dance to. Whether in a concert setting or in a dance hall, the charts provide variety to the listener and dancer alike, keeping the energy level high, the audience engaged and the dancer on their toes!
