

Tuba Fingering Chart

(without pitch tendencies)

0 2 1 12 23 0 2 1

12(0) 2 1 12 0 2 1 12

23 0 2 1 12 23 4(13) 24(123)

0 2 1 12 23 4(13) 14(123*) 124

234 134 1234

* The 123 fingering combination is extremely sharp, and should be avoided whenever possible

Please note - 3 may be used to substitute the 12 finger combination freely, and the middle line D (D3) may be played open or 12 with relatively equal results.
